Comments in writing: Dear Project Team,

Re: The Future of 219 Provencher and 212 Dumoulin.

Please consider the Winnipeg Sketch Club (founded in 1914) for studio space. Our group is open to all artists, from beginners to advanced. Between 15 and 25 artists attend each session once a week. If allowed, we would like more days. We require storage space for easels, chairs, drawing boards, studio lights, and other equipment. I believe that our art group would be a good fit for the wonderful historic buildings.

Thank you for considering the Winnipeg Sketch Club, Michael Weretyk (member)
